Career Objective

Aspiring Data Analyst with hands-on experience in Python, SQL, Excel, and Power BI, focused on data cleaning, exploratory data analysis, and insight generation. Experienced in end-to-end analytical projects and industry-grade job simulations. Seeking an entry-level data analytics role to support data-driven decision-making and business insights.

Technical Skills

Python (Pandas, NumPy, Matplotlib), SQL, Data Cleaning, Exploratory Data Analysis (EDA), Power BI, Excel

Work Experience

Data Analytics Associate – Labmentix (Virtual)

Sep 2025 – Oct 2025

- Analyzed real-world datasets using Python and pandas to identify trends and patterns.
- Conducted customer behavior analysis on Strava fitness data and content clustering on Netflix datasets.
- Created visual summaries to communicate insights and support data-driven recommendations.

IBM – Machine Learning Internship (Virtual)

Oct 2024 – Nov 2024

- Developed foundational machine learning understanding through IBM SkillsBuild hands-on assignments.

Projects

HR Analytics with SQL & Power BI (22k+ Records)

- Analyzed 22k+ employee records to identify key attrition drivers and salary trends.
- Built an interactive Power BI dashboard using DAX and slicers to support HR decision-making.

Personal Finance Dashboard (Excel Budget Tracker)

- Designed a budgeting model based on the 50/30/20 framework using dynamic Excel formulas.
- Automated monthly expense summaries and net savings calculations to reduce manual tracking errors.
- Created long-term investment growth projections using compound interest for financial planning insights.

Mini ETL Data Collection Project

- Collected and structured recruiter data from LinkedIn and Apollo.io for downstream analysis.
- Utilized AI-assisted workflows to speed up data structuring and exploratory analysis.

Education

B.Tech in Computer Science and Engineering

2022 – 2026

KG Reddy College of Engineering and Technology, Hyderabad — CGPA: 8.00/10

Senior Secondary (XII)

2022

Narayana Junior College, Hyderabad — 86%

Secondary (X)

2020

Kranthi High School, Hyderabad — CGPA: 10.00/10
